Chinooks Registration Policy

Policy Overview

The following policy outlines the practice that Chinooks follows when opening up registration to allow families to participate in Chinooks programming. It is utilized in tandem with our Financial Support Policy which aims to support families who need help with registration costs.

Policy Details

- Chinooks registration window typically opens 6-8 weeks before each upcoming season with a separate window utilized for the outdoor and indoor season
- Chinooks offer an early bird discount of 10% off registration fees, although not Academy fees, to families to who register approximately 4 weeks before the CMSA registration deadline.
- Chinooks does not offer sibling discounts when registering
- Chinooks does not have a waitlist. We make efforts ensure every interested player can play. Utilizing the early-bird discount gives a leading indicator on registrations and allows to begin planning earlier to ensure resources are in place so that all interested children are able to participate in our programs
- If, after registering and assessment, a player is deemed to a be better fit in a program with a different cost all fees paid are transferable to that other program
- Financial support during registration is provided in line with Chinooks Financial Support Policy
- Refunds are managed in line with Chinooks Refund Policy which is posted on our website
